Chabil Mar is Placencia's only Guest Exclusive Boutique Belize Resort and the closest full–service resort to the Village of Placencia. Mayan for "Beautiful Sea", Chabil Mar sits at the end of the 16–mile Placencia Peninsula, on one of the most beautiful beaches in Belize. Nestled on nearly 400' of beachfront with views of turquoise lagoons and lush mountains on the west, Chabil Mar is a paradise in the heart of Placencia.

Offering the best of both worlds, Chabil Mar is a seaside sanctuary, yet it's only a stone's throw away from Placencia Village. While many resorts advertise themselves as Placencia Village resorts, some are as far as 10 miles north along the Placencia Peninsula. Guests can enjoy an easy stroll along the beach or hop on a bicycle, kayak or golf cart to immerse themselves in the restaurants, art and culture of Placencia Village, then effortlessly slip back to the peacefulness of Chabil Mar. Please take time to enjoy these lovely people and learn about their culture. It's a benefit of being a guest of Chabil Mar and our proximity to the Village; one we believe you will remember for your lifetime!

Like most ideal destinations, location is paramount to a truly unique experience!
