Dive Blue Hole Belize Vacation Packages

Chabil Mar has partnered with the award winning dive centers of Placencia Village to provide you with a bountiful combination of luxury accommodations, resort amenities and dive services.

For vacationers dreaming of sun-kissed beaches, spectacular sea views and a laid-back atmosphere where "stress" is not allowed, Placencia Village is the location in southern Belize. Situated on a slender peninsula that curves alongside the southern coast of the country, Placencia's tagline is "Barefoot Perfect". Placencia Village, on the tip of the Peninsula, is where visitors experience the charm of a traditional Creole fishing village with the bonus of numerous village eateries, bars, art galleries and gift shops that welcome visitors.

While visiting and diving from Placencia, why not stay IN Placencia? Chabil Mar is Placencia's only exclusive, guest only, full service luxury resort, just a five minute bike, kayak or golf cart ride, or ten minute beach walk to the Village. No other resort brings Placencia Village and award winning dive services to your doorstep like Chabil Mar.

Dive this world renowned atoll, Glovers Reef and the Blue Hole, then select from a choice of multiple jungle or mayan ruin tours, or add a fifth dive to this "Dive Perfect" 4 to 5 dive site package! We will customize the scuba diving vacation you desire. [Contact Us](#)
