World Class Fishing - A Belize Standard

A "One-Size-Fits-All" fishing package is simply not good enough for the guests of Chabil Mar. We prefer to consult with you and customize a package for you so you are sure to get the experience you seek. However, we recognize that guidance to the best fishing in Belize is our responsibility to you, so we have also partnered with Turneffe Flats to bring you an [all-inclusive Belize fishing 7 night package](#)

And if your "Better Half" or family does not enjoy fishing, they will love basking in the sun, lounging by the pool, visiting the friendly Placencia Village or indulging in a luxurious massage at Chabil Mar, while you enjoy your ultimate fishing experience.

Individual, group, family and friends! There is a premier Belize fishing adventure awaiting you at Chabil Mar.
