
Luxury Seafront Villa Suites (LARGER)

Each of these two Luxury Seafront Villas offer approximately 1200 square foot of living space, marble flooring and fine custom Belizean wood cabinetry, and, like all Luxury Chabil Mar Villas, has a main bedroom with King bed and en-suite bathroom, zoned air conditioning and ceiling fans. One of these Villas is on the ground floor and the other is on the second floor. The ground floor Villa is a one-bedroom en-suite with grand master bedroom and custom four poster bed , while the second floor Villa includes two bedrooms and two baths and a grand living area. The second floor two bedroom Villa can be converted to a one-bed, one-bath Villa for two persons in exclusive Chabil Mar fashion.
